In the long-awaited follow-up to her groundbreaking, million-copy bestseller *The Proper Care and Feeding of Husbands*, Dr. Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity

and femininity; what the best ways to relate, caretake, and nurture each other are; and how to bring a marriage back from the brink of disaster. Dr. Laura asserts that in order to produce and sustain a wonderfully satisfying marriage, spouses must recognize and appreciate the polarity between the masculine and the feminine. Both husband and wife have power in the relationship, and each needs to realize this in order to ensure personal satisfaction. Using real-life examples from

her call-in radio show, and giving real-life solutions, Dr. Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive. Men Are Like Waffles--Women Are Like Spaghetti AuthorHouse
Marriage was meant to be a healing journey to Paradise. Teaching how-to's to thrive (not just survive), Evans' straightforward and humorous style helps readers realize that Paradise in marriage is

not only God's intent, but that it's truly attainable.

What do each of you believe about him, and how do you understand his dream for marriage—for your marriage? John Piper wants to help you faithfully walk the road to becoming husband and wife. Here you'll find his counsel on practical topics like engagement, wedding planning, finances, and sex. But most importantly, John shares his most vital word on marriage: a vision grander than many of us have ever dared to dream, about what God is doing in every Christian marriage.
