Taxes for Small Businesses, Simplified A business that neglects its taxes is a business living on borrowed time. But there's no need

to despair. Getting your business on the right side of its tax burden is easier than you think. This QuickStart Guide from ClydeBank Business will help you lay the groundwork of a sustainable business tax strategy. You'll learn how to proactively minimize your tax obligations and how to maneuver your way out of trouble should you ever fall behind. This best-selling QuickStart Guide from ClydeBank Business—still in its first year of publication—has already helped countless small business owners and managers boost their tax IQs and protect their bottom lines. Following in tradition with other titles from ClydeBank Business, the Taxes for Small Businesses QuickStart Guide beautifully simplifies complex ideas and presents on-point information using a style that's accessible, easy to follow and easy to reference. To help you further hone your newfound skills as a business tax expert, we've included an interactive tax deduction quiz at the end of the QuickStart Guide, along with a comprehensive glossary of terms for easy reference. You'll Learn... How Your Business Entity-Type Affects How You're Taxed How To Capitalize on the Shockingly Humane Tendencies of the IRS How To Exercise Your Rights And Survive An IRS Audit How Multiple Levels of Government Authorities Can Tax Your Business How To Convert Your Administrative Tax Burden Into Real Business Value How To Best Manage Your Business's Payroll Taxes How To Spot, Claim and Maximize Your Tax Deductions

Home Business Tax Deductions John Wiley & Sons

QuickStart Your QuickBooks, specifically written for Canadian businesses, aims to take you from a complete novice to a confident intermediate user on a timeline that works with your schedule. The step-by-step guide allows you to learn at your own pace and demystifies common problems that many users of QBO experience. Best of all, no prior accounting knowledge is required - each chapter is explained in an easy to understand way along with screenshots so you never feel lost. *Based on the 2021 version of QuickBooks Online* Over 250 pages of tips, tricks, and actionable steps you can implement immediately. An examination of which Canadian version of QBO is best for your needs How to migrate your data from QuickBooks desktop or using journal entries (with detailed explanations) A review of each of QBO's numerous features and detailed instructions on how to customize every aspect of your setup (including Canadian sales taxes (GST/HST/QST)) Step by step instructions on how to do everyday

tasks such as invoicing, expenses, journal entries, banking and sales tax filing A review of the essential reports that every business owner should use to analyze their business Accounting terminology and best practices every small business owner should know And so much more! Learn everything that every QBO user needs to know, increase your profitability, and take control of your small business finances with QuickStart Your QuickBooks TYPES OF USERS THAT WILL BENEFIT: You are starting a new business/self employment and you want to an easy to use, all in one accounting solution You currently use a spreadsheet but find it time consuming and cumbersome You want to be able analyze your financial data to be more profitable You want to save money on hiring a bookkeeper but you don't want to have to spend a lot of time doing your accounting You want to have a better understanding of your business finances You are an administrator or bookkeeper who wants to have a better understanding of QBO. Read from beginning to end to comprehensively learn about how to use QBO, or simply use it as a reference guide whenever you encounter problems or want more knowledge about a specific area. Note: This book is based on the Canadian version of QBO, but in most respects the accounting concepts within are widely applicable to all versions. In addition, it does not review QBO payroll, as I believe there are better options out there at a similar price point. Finally, I do not cover some advanced features such as budgeting, time tracking, multicurrency, projects and mileage. These topics will be covered in my next Advanced QBO book.

If you're a business owner wanting to learn more about taxes without going through boring textbooks, then keep reading... Benjamin Franklin once said that "in life, only two things are certain: death and taxes." He wasn't exaggerating about the latter. And because you must deal with taxes for as long as you live and earn money, you must get it right every time. Unlike any other infractions or violations, tax-related offenses have major repercussions. At a minimum, you will pay fines and expenses. But if your tax violations are serious, you may end up in jail. Think about this: the infamous mafia gangster boss Al Capone was indicted and sent to prison not because of his violent crimes, but

because of tax violations. Hence, you must take your taxes very seriously. So, what does it take to manage your taxes successfully and avoid the massive inconveniences associated with being flagged by the Internal Revenue Service for tax violations? There are so many answers to this question, but they can be summed up in one term: tax accounting. And that is what this book is all about. Written with non-accountant entrepreneurs in mind, this book can help you learn important tax accounting principles for ensuring optimal tax management in your business. These include: What tax accounting is. Important tax accounting guidelines. The difference between accounting and bookkeeping. How to claim tax deductions legally. How to choose the right business entity. How to manage payroll tax. Discover if you need an S corporation or a C corporation. And much, much more! By the time you're finished with this book, you'll be armed with sufficient knowledge to ensure proper management of your businesses' income taxes. And while you can never avoid taxes, what you'll learn here can make you and the IRS the best of friends. So, grab your copy of this book now and start your journey towards optimal tax management for your small business. Sourcebooks, Inc.

Accounting A Simple, Concise & Complete Guide to the Basics of Accounting Many small businesses owners are ready to get started, but they may be worried about taking care of all the accounting. They worry about how to get all these finances set up and may feel that it will be too tough. But with the help of the QuickBooks program, you will learn how to control your own finances without all the hassle. This guidebook is going to spend some time talking about QuickBooks and how you can use it for your own small business. Inside this guidebook, you will learn the following: * What QuickBooks is all about * How to create some lists to help out your customers, payroll, and items * How to send out some invoices to customers * Working on your budgeting to keep the business growing. * How to get those taxes done with the help of QuickBooks. * How to create some of your own reports with this service. * Some of the best add-ons that will make your business run more efficiently. As a small business owner, you can't afford not to use QuickBooks. It will keep track of all your financial information for the business and to ensure that everything is going to add up right at the end of the year without wasting your time. Use this guidebook to learn more about

QuickBooks and to get started with controlling the finances of your small business.

Taxes Createspace Independent Publishing Platform

The Payroll Book is the only book that demystifies payroll with clear, concise, and real-world examples on how to tackle the process. "The Payroll Book will be a valuable resource for the small business owner as well as for the entrepreneur planning a new venture. Thorough, well-organized, and thoughtfully written, this practical guide is an essential tool for managing the payroll process." —Marilyn K. Wiley, Dean, College of Business, University of North Texas "Failing to comply with the withholding, tax remittance, and report filing requirements in handling business payroll carries a high cost. Charles' book will guide entrepreneurs through the minefields of payroll processing and reporting in language that business owners can understand. Whether you already own or are planning to start your own business, The Payroll Book is an essential tool." —James A. Smith, Past President and Chairman, Texas Society of CPAs "If accounting is something you have not paid keen attention to in your startup, then this book can demystify the whole thing for you and then some! Logically set-up and highly practical in its approach! I highly recommend this book for any startup, entrepreneur, and, frankly, anyone thinking about starting a business. That said, if you already started a business it's just as important—this is a must-read!" —Hubert Zajicek, CEO, Co-founder and Partner, Health Wildcatters "Wow! This is the most comprehensive book of its kind. I have worked in payroll for over 25 years, and I would recommend this book as a reference to anyone who has a hand in payroll. From the novice just entering the field to the seasoned veteran, there is something in this book for everyone." —Romeo Chicco, President, PayMaster

The Tax and Legal Playbook John Wiley & Sons

"Whether you're a newcomer to options trading or a grizzled veteran looking for a fresh take on basic strategy, you'll enjoy the plain-spoken style and colorful scenarios illustrated in this book. In addition to providing a solid beginner's course in options

trading, Options Trading QuickStart Guide walks you through a multitude of strategic trading decisions, showing you how a trader thinks and how he arrives at critical decisions. This book wasn't written for someone who wants to stay on the sidelines, but for the ambitious trader looking to become a formidable, sharp, and cunning options trader"--Page 4 of cover.
