A FINALIST FOR THE 2020 WORLD FANTASY AWARD Unearth the enchanting origins of fantasy fiction with a collection of tales as vast as the tallest tower and as mysterious as the dark depths of the forest. Fantasy stories have always been with us. They illuminate the odd and the uncanny, the wondrous and the fantastic: all the things we know are lurking just out of sight—on the other side of the looking-glass, beyond the music of the impossibly haunting violin, through the twisted trees of the ancient woods. Other worlds, talking animals, fairies, goblins, demons, tricksters, and mystics: these are the elements that populate a rich literary tradition that spans the globe. A work composed both of careful scholarship and fantastic fun, *The Big Book of Classic Fantasy* is essential reading for anyone who's never forgotten the stories that first inspired feelings of astonishment and wonder. INCLUDING: \*Stories by pillars of the genre like the Brothers Grimm, Hans Christian Andersen, Mary Shelley, Christina Rossetti, L. Frank Baum, Robert E. Howard, and J. R. R. Du Bois \*Rare treasures from Asian, Eastern European, Scandinavian, and Native American traditions \*New translations, including fourteen stories never before in English PLUS: \*Beautifully Bizarre Creatures! \*Strange New Worlds Just Beyond the Garden Path! \*Fairy Folk and Their Dark Mischief! \*Seriously Be Careful—Do Not Trust Those Fairies!

“We walked toward the part of the library where the air smelled as if it had been interred for years..... Finally, we got to the hallway where the wooden floor was the creakiest, and we sensed a strange whiff of excitement and fear. It smelled like a creature from a bygone time. It smelled like a dragon.” Thirteen-year-old Juan’s favorite things in the world are koalas, eating roast chicken, and the summer-time. This summer, though, is off to a terrible start. First, Juan’s parents separate and his dad goes to Paris. Then, as if that wasn’t horrible enough, Juan is sent away to his strange Uncle Tito’s house for the entire break! Uncle Tito is really odd: he has zigzag eyebrows; drinks ten cups of smoky tea a day; and lives inside a huge, mysterious library. One day, while Juan is exploring the library, he notices something inexplicable and rushes to tell Uncle Tito. “The books moved!” His uncle drinks all his tea in one gulp and, sputtering, lets his nephew in on a secret: Juan is a *Princeps Reader*—which means books respond magically to him—and he’s the only person capable of finding the

elusive, never-before-read Wild Book. Juan teams up with his new friend Catalina and his little sister, and together they delve through books that scuttle from one shelf to the next, topple over unexpectedly, or even disappear altogether to find *The Wild Book* and discover its secret. But will they find it before the wicked, story-stealing *Pirate Book* does?

Contemporary connections between German directors and Hollywood and their implications for German, American, and transnational film.The film histories of Germany and the United States have long been seen as intertwined, but scholarship has focused on émigré works of the 1930s and 1940s, on links between Weimar film and American film noir, and on the conflictedrelationship between directors of the New German Cinema and Hollywood. Recently, German film studies has begun reexamining the interconnection of the two film cultures and focusing on the internationalism of German cinema, but little research has been done on contemporary German directors'' involvement in American cinema, a gap in scholarship that this book fills. The study offers ways of understanding current German cinematic engagement with America and different directorial responses to the hegemonic pressures of Hollywood. It delineates the historical trajectory of German-American film relations in the 20th century, then analyzes the careers and works of four German-born directors who have significant ties with American cinema: Wolfgang Petersen, Roland Emmerich, Percy Adlon, and Tom Tykwer. A series of close readings of their productions isolates the cinematic practices and strategies with which these filmmakers negotiate the different national cultural and cinematic paradigms they traverse. The book analyzes constructions of national cultural identity, probes the boundaries of national cinemas, and expands our understanding ofemerging hybrid film cultures. It is a contribution to German film studies and to the emerging field of transnational film studies. *The Rhetoric of Character in Children's Literature* Scarecrow Press  
Now available in paperback! Until now, there was no theoretical research of character in children's fiction and very few comprehensive theoretical studies of literary characters in general. In her latest intellectual foray, the author of *From Mythic to Linear* ponders the art of characterization. Through a variety of critical perspectives, she uncovers the essential differences between story ('what we are told') and discourse ('how we are told'), and carefully distinguishes between how these are employed in children's fiction and in general fiction. Yet another masterful work by a leading figure in contemporary criticism.

From the author of The Neverending Story, a book that reminds us that “magic—be it good or bad—is no simple matter.” It's New Year's Eve at the Villa Nightmare but Beelzebub Preposteror is in no mood for celebration. As the Shadow Sorcery Minister,Preposteror has a duty to perform a certain number of evil deeds in service to the Minister of Pitch Darkness. But this year, to his horror, he's nowhere near meeting that quota. Preposteror has all but given up when who should make an unexpected visit but his aunt, the witch Tyrannia Vampirella. She has come with a diabolical proposal that just might be the solution to Preposteror's dilemma: together they will brew the fabled Notion Potion, “one of the most ancient and powerful evil spells in the universe,” and their every evil wish will be granted. The only thing that stands in their way is a most unlikely team—a cat named Mauricio di Mauro and a raven known as Jacob Scribble, who have just hours to thwart the plans of their sorcerer masters and save the world from destruction.

If Social Services hears of their situation, they will be separated in the foster-care system—or worse, sent back to Cuba. Together, the boys carry on alone, dodging bills and anyone who asks too many questions. But then someone wonders how a twelve-year-old boy could possibly throw with as much power as Michael Arroyo throws. In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to

Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates, the Loerbbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, Germania is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent.

“The Mirror in the Mirror” – in the E-Book now also with illustrations by his father Edgar Ende, to whom Michael Ende dedicated this book. It is a fantastic story labyrinth of a very special kind. For the author himself, this work was of great importance: in interviews, he liked to call it his “never-ending

story for adult readers.” The reader is taken into a mysterious narrative world, full of bizarre situations and mysterious fates, surreal images and philosophical thoughts. Those who open themselves in amazement to these enigmatic visions and allow themselves to be drawn into the fantastic stories will emerge from Michael Ende's magic labyrinth with a new perspective. The core question is: What is reflected in a mirror that is reflected in a mirror? If two readers read the same book, they are still not reading the same thing. For both people immerse themselves into the reading. The book becomes a mirror in which the reader is reflected. But in the same way, the reader is also a mirror in which the book is reflected: The mirror in the mirror refers the reader back to himself. The FAZ, one of the major newspapers in Germany, writes that Michael Ende shows with the book “how much darkness, wildness and rawness is inherent in dreams. He does not trivialize. His dreams make reference to reality because in dreams, Cicero wrote, ‘the remnants of those objects roll and tumble about in the souls which we have thought and impelled while awake’.”
