Real Estate As a Professional Career, Phase 2 Captus Press

The book is laid out in very easy step-bystep guide on understanding what real estate is about, exploring what comprise good investments, learning ways to generate income & more. Complex topics such as setting up a business structure, locating & evaluating properties, handling legal and tax issues are also covered. For those of you who have felt that real estate investing was for 'experts' or that you need special skills, you'll find this publication useful as you'll learn many of those skills that successful real estate experts possess.

Estate Association Successful real estate investments play an essential role in Canadian investors' portfolios. The growth in wealth in real estate markets has presented investors with tremendous opportunities to capitalize on and expand their range of investments, and has moved real estate investing from a niche product to a pillar of smart portfolio diversification. In Making Money in Real Estate, 2nd Edition, Douglas Gray demystifies the Canadian real estate market for novice investors and presents new strategies for veteran investors. Learn to: Understand the real estate market cycles Find a property and assess its investment potential Build a trustworthy real estate team Arrange financing on good terms Use negotiating tactics that work Understand tax and legal issues Manage a property Avoid the pitfalls that many investors fall into Examine the pros

and cons of non-residential property investment options Readers of previous editions will appreciate the vital changes to mortgage rules, taxation and legislation, and the inclusion of information on commercial real estate. Thorough coverage in plain English makes Making Money in Real Estate, 2nd Edition the next logical step for investors who want to begin or expand their real estate portfolios, and is a critical and indispensable tool in investment decision making.

Many investors include commercial real estate in their portfolio, yet there are few comprehensive resources available to those looking for information on how to profit in commercial real estate. Written by a father-and-son team with extensive 2

experience in buying, selling and developing commercial real estate, Commercial Real Estate Investing in Canada is a must-have guide for all real estate investors. This one-of-a-kind compendium will guide readers on such topics as: The business of real estate Land-use controls Taxation of property Types of income-producing properties **Renovations and repairs Property** management Property appraisals Conducting due diligence Real estate contracts And much more! Commercial Real Estate Investing in Canada is a tremendously valuable and indispensable tool to all Canadian real estate investors, agents, brokers, property managers, landlords, loan officers, builders, and lawyers.

Commercial Concepts and Concerns John Wiley & Sons

Real estate remains one of the most stable investments available in Canada, offering a higher return than GICs and more security than stocks. Real Estate Investing For Canadians For Dummies, 2nd Edition offers a clear, comprehensive, and Canadian look at investing in real estate, from investigating properties (and other investment options, such as REITs), to securing financing, to managing properties, to knowing when to sell. Reallife anecdotes, useful web resources, and a balanced perspective will make this the ideal book for people looking to explore this lucrative field. Content in this revised edition covers the new opportunities available (such as foreclosures), the significant changes to financing, and changes to property management laws that every investor must know. Gray and Mitham also explore how investors can manage risk and survive (and thrive) in a volatile market and offer new advice on how to manage maintenance costs. Simple Strategies for Making Double Digit **Returns** Charles Aziegbemhin This is the Fourth of the Pre-registration exams conducted by Humber College for getting Real Estate License in Ontario. If there were one advantage that would make a significant impact on the growth of your real estate portfolio, what would that be? If you are just starting out as a real estate investor, what anxieties or worries might you have? What expertise in particular would help you understand market fundamentals and help you achieve your goal of becoming a successful investor and attaining financial freedom? If you're an experienced investor, what systems do you have in place to support your growth without making costly mistakes? Have you built up a proper support team? If you are a successful real estate agent, with experience in residential property, what could you do to enhance that success in both personal and professional growth? Have you thought about how real estate investing can help you and your business? The answer to these questions lies in a very special kind of relationship-the relationship between the real estate investor and the real estate agent. Real

Estate Riches is designed to provide investors with insights into the skills and services that a knowledgeable agent can provide-one who specializes in meeting the needs of the investor by understanding the investor's mindset, vision, and goals to allow them to focus on the larger aspects of their business. Real Estate Riches is also intended to illustrate to the agent what an investor's business looks like-from the different strategies and types of properties the investor focuses on, to the specifics of investment towns, neighbourhoods and streets, to timelines and cycles for growing the investor's portfolio. How do you go about finding that agent with the requisite skills? The answer lies within the pages of Real Estate Riches. Filled with real-life case studies, tips, and the hard-won knowledge that comes from experience, the book is motivational, practical, and useful-and it will be among your wisest investments. "This book really shows professional investors and professional agents how, if done right, both parties can come out with better financial results with less hassle by treating the real estate business like any other business-creating long-term relationships in which each party respects the other's profession and treats each other's time like the important commodity that it is." - Don R. Campbell, Author, market analyst, and investor "Tahani is an inspiration. She shows firsthand how with the right mindset and the right team you can build a future in real estate while not compromising what's truly important." -Philip McKernan, Author of South of 49 and Fire Sale "Tahani's story is powerful, and demonstrates what can happen when you focus on helping people and living your passion. She reveals the 'human' side of real estate, and why it's so important to build a powerful team around you that you can trust." - Greg Habstritt, Founder of SimpleWealth.com and best-selling author of The Real Estate Secret "Tahani gives the novice investor a clear insight into the world of a savvy, investor-friendly real estate agent and the importance of having someone with her experience on your team. Whether you are a seasoned

investor or just starting out, this book will be an invaluable tool in your investor toolbox." - Peter Kinch, Owner, DLC Peter Kinch Mortgage Team Tahani Aburaneh is donating the royalties from the sale of this book to www.care.org.

you've played it before, most of us dread the onslaught of flashy, fast-talking real estate agents and property managers. Well, help has arrived. This revised edition of Buying and Selling a Home For Canadians For Dummies prepares you to get what you need and want when buying a new home or selling the one you're in. Everything from arranging your finances and hiring an agent, to researching neighbourhoods and assessing home values is presented in a clear and humorous way to help you get the most out of the process. Important information to help you: Market your home and sell for the highest possible price Negotiate the best price and terms of sale Find the right new neighbourhood with reasonable prices and the type of housing to suit you and your family Decide whether or not to hire an agent and tips on how to choose a good one Select the best mortgage and understand tax considerations Updated in the 2nd Edition: Examining zero percent down payments, lines of credit and other alternatives to conventional mortgages Using the 'Net: New, useful sites – and what to watch out for Buying condominiums: An expanded chapter full of useful information on what you need to know before you buy Selling your home on your own: Expanded online resources and tips Fixing up your home to sell: Tips from the designers on how to make your home as sellable as possible

Making Money in Real Estate John Wiley & Sons

Legal, Tax and Accounting Strategies for the Canadian Real Estate Investor begins and ends with the premise that buying property in Canada can be a smart, safe and successful way to invest your money. However, like most things in life, success requires hard work. You need to do your homework, understand what you are buying, and know the pros and cons of various decisions. Most importantly, you also need to know how to structure and maintain your investment. That's where we come in. Experience is a good teacherbut its lessons can be nasty and, in the real estate business, mistakes can cost you big bucks. Our goal with this book is to help you do it right-the first time. Rest assured that this book covers a vast range of topics and you're going to appreciate its breadth and depth if you're wondering about things like whether: You should opt for a sole proprietorship versus a partnership or corporate ownership strategy. There are things you can do to manage the way HST impacts your real estate investment business. You need information about the tax implications of a real estate disposition. You can change

your bookkeeping system to better meet your needs and those of your accountant. Who Are We? This book was written by two individuals whose collective experience in helping Canadians make wise property investment decisions spans several decades. Steve Cohen is a securities lawyer with a great deal of experience in the real estate sector. George Dube is a chartered accountant whose knowledge is based on many years of helping clients with their property buying needs. Both Steve and George are real estate investors themselves. Working from this foundation, we have put together the definitive guide on how to build a successful real estate portfolio in Canada from a legal, tax and accounting perspective.

The Intrepid Nonprofit is a playbook for nonprofit leaders to help them navigate the turbulent environment ahead. It examines difficult challenges facing nonprofits, such as shrinking or stagnating revenue sources, technological change, under-performing boards, staff turnover, mission drift, or measuring intangible results. Drawing insights from organizations that have not only prospered but sometimes achieved outstanding results, the book outlines practical strategies for success, including some outof-the-box approaches to leadership. It also calls upon governments and foundations to do more to support the sector. Tomorrow's nonprofit leaders will have to be intrepid—resolute, imaginative, adaptable, and courageous. This book will inspire and sustain them when the going gets tough.
